

Sukriti Chordiya

Visual Designer

Hello! I have embarked on an endless journey of being a thinker, practicing as a designer, and regularly discovering mediums and ways to imagine endlessly. I tend to be highly inquisitive and I often ask questions to either learn from or challenge ideas, beliefs and systems. I happen to always be up for chai, trekking, any water activity and movie marathons.

Area of Passion

Illustration, Publication, Stop-motion Animation, Marketing, Branding, Education, Storytelling, Printmaking, Absurdism, Writing

Books/Movies I find Inspiring

- Il bambino che amava il cinema- Victoria Semykina
- Philadelphia, Here I Come!- Brian Friel
- Encyclopaedia of Indian Cinema- Ashish Rajadhyaksha
- The Wind will Carry Us- Abbas Kiarostami
- From Up on Poppy Hill- Goro Miyazaki
- Placebo- Abhay Kumar
